Color **art** critters & posies

Welcome to the Wass Coloring Book: *Critters & Posies*. This book was compiled by a bunch of artists who drew things very quickly so we could make coloring books to help pass these weeks of uncertainty. This series of coloring books have been illustrated from artists right here in Van Wert, Toledo, Columbus, Detroit, Fort Wayne, and even Alabama. We want to thank everyone for donating their time and their work to make these little pages of distraction. Enjoy.

We'd love to see what you come up with so post on our Facebook and Instagram pages! #wassenberartcenter
