In-Grained!

It's In-grained! A unique art form has developed recently and has formed an artistic group calling themselves the wood-grainers! Anyone can be a grainer. This exhibit will feature artwork created on or out of wood! Many images can surface in wood grains and this exhibit will showcase those subtle and not-so subtle results! Carved, painted, stained, whittled, and burned, and other techniques will be displayed. Enter your pieces in this judged, non-juried exhibit! Best of Show, second and third places will be determined by a panel of artists and wood workers.
